A Las Vegas Area
Women's Social Club

The Westside Newcomers Club was founded in 1992 by four women who were new to the Las Vegas area and found it difficult to acclimate to their new communities without the support of the friends left behind upon relocating. Today, many of our members are long time Las Vegas area residents. Some were actually born and raised in the Las Vegas Valley, and are anxious to share with you the city we call "home" and have come to love.

The club name was chosen because it began on the "west side" but now welcomes women from all over the Las Vegas area, including Henderson and North Las Vegas residents.
